

To Honorable Chief Judge Jordan,

My name is Brandon Miller, Case No. 3:18-CR0052 DPU, and I am writing to inform you that my 6<sup>th</sup> Amendment Constitutional Rights are being violated, not once, but twice.

I have been incarcerated at Madison County Detention Center for 34 months awaiting trial without due process. This is my second attempt to notify the court systems to address this matter to no avail. The law states the speedy trial clock starts when an indictment is filed or a non-guilty plea is entered. I entered the first non-guilty plea in June 2018, at which point the speedy trial clock should have began to run. In July 2019 my indictment was superseded and in the same month I pled not guilty again to the same charges in which I am awaiting trial for. In accordance with 18 U.S.C. § 3162(a)(2), the district court should dismiss the indictment if not tried within 70 days. For example, 511 F.3d 487 (5<sup>th</sup> Circuit 2007) United States of America, Plaintiff-Appellee, v. Adrian Lopez-Valenzuela, Defendant-Appellant, No. 05-61130, the district court's judgement was reversed and the case remanded due to a speedy trial violation.

Your Honor, as of May 1<sup>st</sup> I will have been married 17 years and fathered four children, all of whom are more than ready to see me come home. At this point I am deeply concerned and overwhelmed with anxiety over the possibility of losing my family. I would also like to bring to your attention the status of my medical condition, Multiple Sclerosis, and the neglect of proper medical treatment has taken a toll on my health during my incarceration, which violates my 8<sup>th</sup> Amendment constitutional rights, cruel & unusual punishment.

In summary my main focus is to get to court as soon as possible so that this matter may be resolved. Please assist me with this, thank you for your time and consideration.

Sincerely, Brandon Miller

Also, I would also like to request a 42 U.S.C.  
Section 1983 form please, thank you.

Bronker Miller
